Unbridled Comfort

The ALULA chair is a manifestation of the interplay between material and technology. With an adjustable lumbar support and height adjustable armrests, synchronous mechanism with integrated seat depth adjustment, this innovative task chair can easily be adjusted to suit any user. The ALULA chair has a sleek, slimline back rest frame covered by a high performance mesh. As a result, the ALULA is a very desirable chair for executive or task workstations, desks and tables.

Features:

- Black mesh backrest with fully adjustable lumbar support.
- ALULA Executive and ALULA Task chair option available.
- Synchronous mechanism with 4 locking positions and seat depth adjustment.
- Adjustable upholstered headrest for the ALULA Executive Option.
- Upholstered seat with high-density moulded foam.
- Gas height adjustment.
- Adjustable armrests and polyurethane pad.
- 680mm diameter black nylon 5 star base with 60mm castors for improved maneuvrability.
- 5 Year Warranty.
- BIFMA Tested.
