

Smart Ergonomic Workspace Solutions

ALYA

Ultimate Performer

The ALYA chair understands that some people demand the ultimate performance from their office chair. The Alya is a true breakthrough in seating design that delivers a personal seating experience that responds to the unique movements of your body. The Alya is for the executive at the forefront of their field, the high-flyer, the go-getter. This is your throne and just like the vehicle you drive, your chair needs to perform giving you the comfort and support throughout your 12 hour day. When the day is done and the deals have been won, you will still have the energy to celebrate because the Alya is the Ultimate Performer. The Alya is not just another office chair....it's a way of life!
