

HILO HEIGHT ADJUSTABLE DESK

HiLo Height Adjustable Desk – Take your work to the next level

The HiLo Height Adjustable Desk leaves no boxes unticked. With height adjustment from 72cm to 126cm, the HiLo will suit anyone sitting or standing. With 3 programmable settings, you can save your favourite heights for ease of use. The twin electric motors ensure seamless movement, greater control, and a huge 120kg weight carrying capacity. The 25mm thick Oak top has dimensions of 75 x 140cm. To complete this exceptional desk, the modesty panel and frame have a satin white finish.
